

Transportation & Parking Guide for JASP 2016

Conference Hotel Parking

Hampton Inn Parking Information

As indicated in the program, most JASP events will be held at the main program venue, the Hampton Inn-Carrboro. It is located at 370 E. Main St., Carrboro, NC 27510. The hotel is connected to a large parking garage that offers free city parking 24/7. The **fourth floor** of this garage is reserved for Hampton Inn guests and can be accessed with a parking pass, available at the JASP concierge desk. All other floors offer open parking, and those spaces are frequently used by Carrboro residents on evenings and weekends.

See the JASP concierge desk if you will require a parking pass. If you have questions about using the parking garage, please visit the concierge desk or ask hotel personnel.

Parking on UNC's Campus and at other venues is limited, so JASP provides the following transportation options for access to events not at the Hampton Inn.

For a map and thorough list of downtown parking options, see <http://www.parkonthehill.com/>. This website offers parking hours and costs for all public parking along and near Franklin Street.
